This map illustrates the National Highway System (NHS) in Middletown, Ohio. The map features a network of roads color-coded according to their status: blue for the Eisenhower Interstate System (I-75), red for other NHS routes, green for non-interstate STRAHNET routes, light green for STRAHNET connectors, brown for intermodal connectors, and dark green for intermodal/STRAHNET connectors. Dotted red lines indicate unbuilt NHS routes, while thin black lines represent MAP-21 NHS principal arterials. The map also shows census urbanized areas in light orange and the Department of Defense in dark olive green. Water bodies are depicted in light blue. Key transportation facilities are marked with icons: an airport (blue airplane), intercity bus terminal (blue bus), ferry terminal (blue boat), truck/pipeline terminal (purple truck), multipurpose passenger facility (purple building), port terminal (blue anchor), truck/rail facility (blue truck), AMTRAK station (blue train), and public transit station (blue bus). The map includes a north arrow and scale bars in miles (0 to 2) and kilometers (0 to 4). The date of the map is March 25, 2015.

The map shows the following roads and features:

- Interstate 75 (I-75):** A major north-south corridor running through the center of the map.
- State Route 4:** A red line running north-south, intersecting I-75.
- State Route 73:** A red line running east-west, intersecting I-75 and State Route 4.
- State Route 122:** A black line running east-west, intersecting I-75.
- State Route 123:** A black line running north-south, intersecting I-75.
- State Route 19:** A black line running north-south, intersecting I-75.
- State Route 725:** A black line running north-south, intersecting I-75.
- State Route 741:** A black line running north-south, intersecting I-75.
- State Route 48:** A black line running north-south, intersecting I-75.
